

## Blue City Aviation – Birmingham Airport

### HOW TO FIND US

The following map, courtesy of Google, shows the general area and the M42 junction

From the M42 leave at Junction 6 and take the A45 towards Birmingham City Centre. Do not take the first exit to the airport – this leads to the main passenger terminals and would take you to the wrong side of the runway! Continue along past the end of the main runway then as the road climbs over the brow of a low hill take a right turn at the next junction. This is signed “Airport Cargo and Freeport”.

There is a right filter lane at the traffic lights and the Holiday Inn hotel to the right-hand side. Follow Terminal Road into the airport and you will see the Argosy Building where our office is located in front of you.

We are located on the Elmdon side of the airport, colloquially known as the “old airport”.

Access to the airport will be via the “Freeport” Security Gate. To get there follow Terminal Road around to the left by the airport buildings and by the Gateway Estate entrance (which will be on your left) mini-island report to the security barrier directly in front of you. They will direct you to the “Elmdon” Security Gate, drivers collecting or delivering cargo should advise Blue City on arrival at the Elmdon Security point. If it is required to take the vehicle to aircraft side for loading or offloading prior arrangement must be made to have appropriate vehicle and driver security passes issued. Full details of the vehicle - make, model and livery plus the full name of the driver must be passed to Blue City at least three hours prior to the collection or delivery.

## Our Contact Details

Telephone: 0121 782 9300 \*

Email: [handling@bluecityaviation.co.uk](mailto:handling@bluecityaviation.co.uk)

Address: Second Floor, Argosy Building  
Birmingham Airport, Birmingham
